Croatia Small Ship Cruising FAQ's

How many swim stops are there on your cruises?

We typically have at least 1 swim stop per day but on certain days there is a morning and afternoon swim stop.

Is there a dress code for your cruises?

Unlike the bigger ocean liners which require formal attire for dinners, life on board our ships is far more relaxed. During the day guests typically wear shorts, dresses or bathing suits around the boat. For the Captain's Dinner which is the most formal evening on the ship, guests on our boats typically wear smart/casual clothing.

Is there a luggage limit?

To try and maximise space in the cabin and also for ease of boarding, we try to encourage guests not to bring more than 1 large suit case and 1 cabin bag with them.

Are these cruises suitable for clients with disabilities?

Due to the nature of these ships and how they dock in port, we ask that any clients who are interested in doing our cruises are able to comfortably walk unaided.

Do you cater for guests with particular dietary preferences?

Yes we do. The chefs on our ships regularly cater for clients who are vegetarian, vegan, gluten free, lactose intolerant or are allergic to certain foods such as shell fish, pork and others.

Can you assist with booking hotels, tours and transfers outside of the cruise?

Yes. More than half of the guests on our ships rely on us to book their pre and post cruise travel arrangements as we can seamlessly tie this into your cruise and have everything on the same itinerary.

Do the ships accept credit and debit cards?

Yes all the ships accept VISA & Mastercard credit and debit cards. Please note that American Express is not widely accepted on the ships or in Croatia.

Booking Conditions - Unforgettable Croatia

Payment Methods

We accept payment by Visa, MasterCard credit/debit card or bank transfer. We do not accept payment by American Express or Diners Card. If you would prefer to pay by debit or credit card, please contact the sales team to proceed with payment by Visa or MasterCard.

Deposit

A minimum deposit of 25% is due at the time of booking for tailor-made trips and small ship cruises. The remaining balance is due 90 days before your departure date.

Travel Insurance

We strongly suggest to all clients that a suitable travel insurance policy is purchased to cover them in the event of cancellation of their trip due to unforeseen reasons. The insurance policy will also protect you against flight cancellations, lost luggage and medical cover abroad in the unfortunate event you do require medical attention whilst away.

Cabin Selection

The small ships we operate on in Croatia typically offer double/twin configuration cabins, with either a double bed or two single beds which can be pushed together or separated. A very limited number of ships we operate do have twin cabins with beds which cannot be moved due to the design of the ship. At the time of booking your agent will ask for your cabin preference which is communicated to the crew at the time of booking, with cabin selection done on a first come, first serve basis. We do not offer compensation in the event that your cabin preference is not available.

Cruise Itinerary Changes due to Poor Weather or Operational Reasons

Please note that with any cruise, the captain of the vessel reserves the right to amend the itinerary if there is poor weather or an operational reason, which could result in clients being put at danger. Should this happen, we and the crew on the ship will do our utmost to accommodate you but we will not offer any compensation for necessary changes we make to protect our guests safety.

Private Transfers

We offer private transfers to and from airports, hotels and harbours as part of our trip packages. We do not offer private transfers from private apartments as these are often located within pedestrianised areas of the Old Towns, which provides difficulty for drivers to access. In the event that a private apartment is booked, the pickup and drop off location will be the nearest accessible hotel which may be a 10-minute walk.

City tax

All countries levy a city tax on all foreign visitors to their countries. The tax is paid to the various tourist boards and used to maintain their tourist facilities. The amount levied ranges from £1/\$1.3 to £3/\$4.5 per person, per day depending on which town/city you are staying in and the season you arrive in.
